## President Message

The sole objective of IIMS & INDIAN HOSPITAL is that we all can ensure our role in the progress of this changing society and give it momentum. I would like to tell you that the foundation of the institution was laid 13 years ago with this objective and we have lived up to our objectives. Looking at the current environment, our objective is to make the mind and brain of all our students strong and mature. I am proud to tell that we are providing the highest knowledge and excellent character to all the students of the institution in the challenging world of today. Because knowledge and character play an important role in building a great society.

So I have full hope that through this brochure your desire to know more about the institution will be fulfilled, I cordially welcome all the students and wish you a golden future.

**Mrs. Anamika Gupta**  
President  
IIMS & Indian Hospital, Ayodhya

**Dharmendra Gupta**  
Managing Director  
IIMS & Indian Hospital, Ayodhya

## Managing Director Message

I feel proud to write a message for the new entrants of IIMS & INDIAN HOSPITAL. The purpose of laying the foundation of the institute in Ayodhya District is to provide the bright students of the nearby area a golden opportunity to get better and accessible medical education. We are looking for such future makers who are self-motivated, innovative, take advantage of the opportunity and are ready to give their best.

So we are playing an important role in building the future of the students studying in the institute and we have full faith that the institute will achieve more credibility and excellence in the coming time. With these words, I wish you a bright future.

**Principal**  
IIMS & Indian Hospital, Ayodhya

**Dr. D R Bhuwan**  
**Secretary**  
IIMS & Indian Hospital, Ayodhya

## Secretary Message

I am extremely happy to address you as the Secretary of IIMS & INDIAN HOSPITAL. Since its inception in the year 2012, the institution has been continuously striving towards maintaining high academic standards and excellence in the field of medical education. We are committed to providing a variety of opportunities to our students to help them achieve their highest potential. Our aim is to inculcate in the students endurance, courage, compassion and dedication towards duty, as a result of which the students bring glory to themselves and the institution in the years to come. We have a dedicated team of highly qualified range of expertise who work hard to provide the latest knowledge and skills to the students and as a result of this hard work, our students stand strong in any competition in the world.

So I welcome all the new students and wish them a bright future.

## Treasurer Message

It is a matter of pride to pen down for new entrants for the batch 2025-2026 in our IIMS family. I would like to tell you that the objectives for which the foundation of this institution was laid are being realized with new shapes and dimensions every day. The institution has attracted the attention of a large part of the country and has lived up to its motto of providing modern medical education and health services with the participation of all and proper educational environments. Entertainment, sports, yoga, exercise, have been added here in a favorable co-educational system. In which all the students are free to participate. We will fully support you in giving new flight to your dream of becoming an ideal health care provider, care givers and care worker by taking admission in the institution.

So, I extend my best wishes to all the students and colleagues and invite you to join this exciting journey of your bright future. At last I want to express my gratitude.

## Vice Principal Message

**Vice Principal**  
IIMS & Indian Hospital, Ayodhya

I warmly welcome all students to the IIMS family. Our institution is dedicated to fulfilling its mission of providing quality education and healthcare services, growing stronger with each achievement. At IIMS & INDIAN HOSPITAL, we embrace the holistic principles of hospital alongside modern advancements, fostering an environment of learning, innovation, and cultural exchange. Hospital, as the science of life, holds the wisdom of ancient traditions and practices that promote holistic well-being.

With opportunities in academics, sports, yoga, and extracurricular activities, we aim to nurture well-rounded individuals. We are here to support your aspirations and guide you toward becoming exemplary healthcare professionals.

My best wishes to all students and faculty as we embark on this exciting journey together, striving for academic and cultural excellence.

Save one life, you're a hero.  
Save 100 lives, you're a nurse.

Today is your opportunity to  
build the tomorrow you want.

As a nurse, we have the opportunity to  
heal the mind, soul, heart, and body of our  
patients, their families, and ourselves.  
They may forget your name, but they will  
never forget how you made them feel.

A doctor gives life to the patient  
through medicines.  
A Pharmacist gives life to Medicines  
through his knowledge and skills.
